

The Road to Successful Technology

ADDRESSING THE TECHNOLOGY NEEDS OF EDUCATORS FOR THE PAST 22 YEARS.

For the Past 22 Years, Theta Discoveries has Partnered with Academic Institutions to provide both Hardware and Software Solutions. As Technology changes, so do we; bringing the most efficient and cost-effective solution to our clients. Today, Theta has grown into a full Service Site Management Provider, offering a complete suite of Products and Services. As always, our direction and resources are driven by the needs of our client. Unlike our competitors, we remain completely focused on the Academic Community.

"Support is unprecedented. I can always reach as friendly and knowledgeable Associate. Thank you Theta for the years of service"

"Our new LAB works flawlessly; we have both improved overall reliability while greatly reducing operating cost. Thank You"
